

What next?

Please complete the Gift Aid declaration and standing order form enclosed and forward to the Finance Office at Bishop Stopford School.

The standing order will run until further notice is received by your bank to the contrary.

All contributions will go towards providing better facilities and help with the teaching and learning of the students at Bishop Stopford School.

Thank you for your support!

What is Gift Aid?

giftaid it

Gift Aid provides a great opportunity for the school to increase the value of donations that you make to us

giftaid it

We are all working towards the same common purpose: 'striving for the highest quality education with a strong Christian ethos'. Modern facilities and an up to date learning environment are vital if we are to achieve our shared aims.

Provided the donation comes from a basic or higher rate tax payer, we can reclaim from the Inland Revenue the basic rate tax paid on the donation.

For every donation made to the school to help us achieve our common purpose, we can boost the amount by 20% by using Gift Aid. So a gift of £10 from a donor is worth £12.00 to the school. You can donate any amount of money. No amount is too small or too large.

We are striving to improve the facilities available to your children. So far, thanks to your generosity, Gift Aid money has provided picnic tables and chairs, helped redecorate the Main Hall and purchased a school mini bus.

2013 Completed Projects

We are pleased to advise that the latest project, contributed by Gift Aid is our new outdoor canopy, which was installed in the Autumn term of 2013 and provides an undercover area for break and lunchtimes.

2014 Projects

With your help we can progress with our next project which is a Multi Use Games Area that will be used for a variety of sports. We are enhancing the existing sports facilities at the school and providing students with an opportunity to use it recreationally at lunchtime as well as for PE.

How to donate

Donations can be made monthly by standing order which eases our administration, or if you prefer as a one off sum. If each family were to give as little as £5 per month we could deliver our future plans much more quickly.

We very much hope you wish to re-affirm your support of the school by joining our Gift Aid scheme and look forward to hearing from you.
