Teacher of Mathematics Full time / Part time

Thank you so much for accessing details of the teacher of Mathematics post. We hope that you will feel sufficiently inspired by the information provided to make an application. Bishop Stopford School is a great place in which to work and learn.

All that we do is informed by our Core Values of Faith, Justice, Responsibility, Truth and Compassion. We welcome applications from anyone who has a real vocation to teach, an enthusiasm for their subject and who can work in sympathy with these values.

In this Faculty, subjects offered are Maths, Core Maths and Further Maths. As the successful candidate will have the opportunity to teach A-level, it would be helpful if you could indicate in your letter of application your ability to teach A Level, and in which discipline(s): pure, mechanics and/or statistics. Being able or willing to teach Computing would also be welcome.

We pride ourselves on being a 'Professional Learning Organisation', committed to improvement through professional development and learning. We are very honoured to have achieved the coveted "Gold" Investors in People status, after demonstrating exceptional levels of people management and staff development.

If you have any queries about the advertised post, which are not answered in the information provided, please do not hesitate to contact Rob King, (Deputy Head) in the first instance: robking@bishopstopford.com.

Applications are welcomed by noon on Wednesday, 24th April 2019. We very much look forward to hearing from you.

Yours sincerely

Jill Silverthorne
Headteacher
